

CME-CPD Information

ACCREDITATION STATEMENT AND CREDIT DESIGNATION

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The 17th International Conference on Advanced Technologies & Treatments for Diabetes, Florence, Italy 06/03/2024 – 09/03/2024, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **14.5 European CME credits** (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.” The EACCME is an institution of the European Union of Medical Specialists (UEMS): www.uems.net

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of *AMA PRA Category 1 Credits™*. Information on the process to convert EACCME credit to AMA credit can be found at <https://www.ama-assn.org/education/ama-pra-credit-system/agreement-european-union-medical-specialties-uems>

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada. For more information, visit: <http://www.royalcollege.ca/rcsite/cpd/providers/international-accreditation-agreements-e>

ITALIAN CONTINUING MEDICAL EDUCATION

The activity “ATTD 2024 17th International Conference on ADVANCED TECHNOLOGIES & TREATMENTS FOR DIABETES” has been accredited by the Italian Commission of Medical Education with **3,9 ECM credits**.

Provider: Scientific Seminars International Foundation

Id Provider: 776

ID Event: 406667

The requirements that attendees need to follow to obtain credits are the following:

1. Credits will be assigned only to those who have participated in the entire training event (90% of the total hours)
2. Credits will be assigned only to those who have returned the appropriate personal data sheet, filled in in its entirety and signed by the participant
3. Credits will be assigned only to those who have returned the appropriate perceived quality form completed in its entirety
4. The certificates will be sent via email to participants who meet the above requirements.

For further questions, please visit the Scientific Seminars International Foundation desk onsite.

Credit Breakdown

Day	Maximum Credits
06/03/2024	0.5
07/03/2024	4.5
08/03/2024	4.0
09/03/2024	5.5
Total Credits:	14.5

Educational Objectives

After participating in this educational event, learners should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Exchange ideas and knowledge about novel biomarkers for diabetes.
- Review the latest artificial pancreas (AP) developments.
- Discuss insulin pump treatment and insulin sensitivity during pregnancy
- Discuss the impact of hypoglycemia on patient-reported outcomes.
- Discuss an update on therapies for Type 1 Diabetes.
- Discuss the continuous glucose monitoring (CGM) as initial diabetes technology.
- Review new technologies for treating obesity and preventing related diabetes.

Target Audience

ATTD 2024 is the global meeting place for physicians, researchers, and scientists in the fields of endocrinology, pediatrics, and family medicine. Because of the diverse, clinically focused educational offering, participants can tailor the curriculum to meet the needs of international clinicians of all levels of experience.

To Receive Your CME/CPD Certificate

The CME/CPD certificate will be available after completing the online evaluation and credit-claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CME/CPD accreditation and helps improve future educational offerings.

Before June 9, 2024:

1. Login to the [ATTD Education Portal](#) OR [register](#) first if you don't have an account.
 - register using the same email address as your ATTD Conference registration.
 - make sure to select "Diabetes" as your main field of interest.
2. Once logged in, go to "Online Learning", and click on the CME/CPD certificate banner on the landing page.
3. Complete the anonymous online evaluation.
4. Complete the credit claim form and submit it.
5. The CME/CPD certificate will be available for download; retain it for your personal records.

Kindly note that the ATTD 2024 online evaluation will be active on the last day of the meeting. You will then be able to access it and claim your CME/CPD certificate.

For any questions or concerns, please contact us at: education@kenes.com

Disclosure and Resolution of Personal Conflicts of Interest

Following CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest are resolved. Disclosure is made to participants before the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

View disclosure information [here](#).

Industry Support Disclosure

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgment of all supporting organizations is made in the program guide, on the event website, and with signage during the event.
