Workshop at ATTD 2024

A path toward technological innovation in Italian pediatric and adult diabetes

The Study Group 'Technology and Diabetes' of the three Italian societies Associazione Medici Diabetologi (Association of the Diabetes Physicians), Società Italiana Diabete (Italian Society for Diabetes) and Società Italiana di Endocrinologia e Diabetologia Pediatrica (Italian Society for Pediatric Endocrinology and Diabetes) has organized, with the endorsement of ATTD, the following workshop for ATTD registered participants.

Italian speaking registered participants at ATTD 2024 are invited to participate in this workshop focusing on interesting updates about the latest technology and treatment modalities.

Date & Time: Wednesday, 6 March | 08:00 -12:30

Location: Hall G

Workshop Language: Italian

To register, please email: a.scaramuzza@gmail.com
