

# Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee, we are delighted to welcome you to the **17th International Conference on Advanced Technologies & Treatments for Diabetes (ATTD 2024)** to be held on **6-9 March 2024 in Florence, Italy**.

We invite you to be a part of ATTD – the leading international forum – where clinicians, diabetes care providers, researchers, industries, start-up, investors, reimbursement authorities, regulators and people with diabetes, assemble with the goal to ameliorate the care of people with diabetes as the fastest possible pace.

Presentations and discussions will be given by many distinguished professionals in the field and will include topics such as artificial intelligence-based decision support systems, glucose sensors, closed-loop systems, artificial pancreas, devices for diabetic prevention, new medications for the treatment of diabetes, new insulins, delivery systems and insulin pumps and many more.

ATTD 2024 promises to be an outstanding event and we will be happy to meet you in the magnificent city of Florence.

Yours sincerely,

Professor Moshe Phillip | Professor Tadej Battelino  
Conference Chairpersons
